Tracy
See below.

She isnt a party on our case and I don't know if we get involved with these things. Could also be seen as biased because mothers case is still ongoing.

Good evening Maddie,

Is it possible for you to write a recommendation/verification letter for my mother to explain the situation why she is coming to US for the immigration officers? I heard they're giving hard time for immigration process and as you know she has little English! Also, I got one way flight because of the situation, she is allowed to stay here 6 months with her tourist visa and because of one way flight, they might give her hard time. If it's possible if you can send me an email for her about explaining the situation why she will be here that would great. Greatly appreciate it! Thanks

Ahmet Kahraman
